

ARCHERY TAG - The game of extreme (combat) archery is a mix of dodgeball, paintball, and archery with players hitting each other with non-lethal arrows to score points or eliminate opposing team members.

PLAYERS

Archery Tag® consists of teams of six players on opposing sides, separated by a Safe Zone. Teams must begin the game with the same number of players.

THE GAME

The object of the game is to eliminate all opposing players by getting them "out" or scoring the most points in a timed game.

BOUNDARIES

During play, all players must remain within the boundary lines. Players may leave the boundaries through their end-line only to retrieve stray arrows. They must also return through their end-line.
